*nce upon a time there were three-hundred seventy-five six-year olds beginning school at Grove Park and Hillcrest. With shining*

*eyes and eager hearts, they looked upon this as one great adventure of their lives. Parts of these adventures are the subject of this*

*book. From their first stumbling, halting efforts to unlock the mystery of printed words to the majesty of Macbeth and Hamlet, the lamp of knowledge has guided their adventure.*

*As children they could look into the flames and see dreams of their future, but did they dream of returning to help others along the way they once walked?*

Many of them entered school as "pros," having attended kindergarten for one or two years. Friendships that would stand the test of years were formed here. These tiny hands and serious eyes held the promise of the

WHS Senior Class of 1975 — future homecoming queens, annual staff members, cheerleaders, class presidents, Barker reporters.

Now, big brother teaches little brother, beginning the whole

cycle again — one member of the Class of 1990 skips stones across the lake. The class caricaturist studies his inspiration. The WHS typical class works on an ordinary lesson on an average day.

Autumn, winter, spring — these seasons were dominated by school: Classes, books, teachers, lockers; the excitement of Friday night and the dullness of Monday morning.

But there was another season — summer — and vacations. Vacations brought the magic of city lights seen from a mountain top at dusk; the enchantment of sea oats, sand, and the Atlantic; the beauty of a simple, perfect daisy in fields of June, and to a few lucky ones, the eternal majesty of Europe's storied past.

Ken;  
Business law was just one of those classes. Have fun next year.

Well Ken,  
You finally made it!  
But next year I'll be a senior and Williams better watch out! Hope you have lots of luck always.

Truly,  
Mac

Older brothers and sisters had told them what to expect as the years went by. When they became sixth graders, they would be the upperclassmen, with all the rights and privileges thereof.

However, half of each sixth grade was moved to the newly completed Marvin B. Smith Elementary School.

*After graduating from their respective elementary schools, they went to Turrentine as seventh graders. In two years they would be upperclassmen, at last. But no; all ninth graders were transferred to Sellars-Gunn Junior High School.*

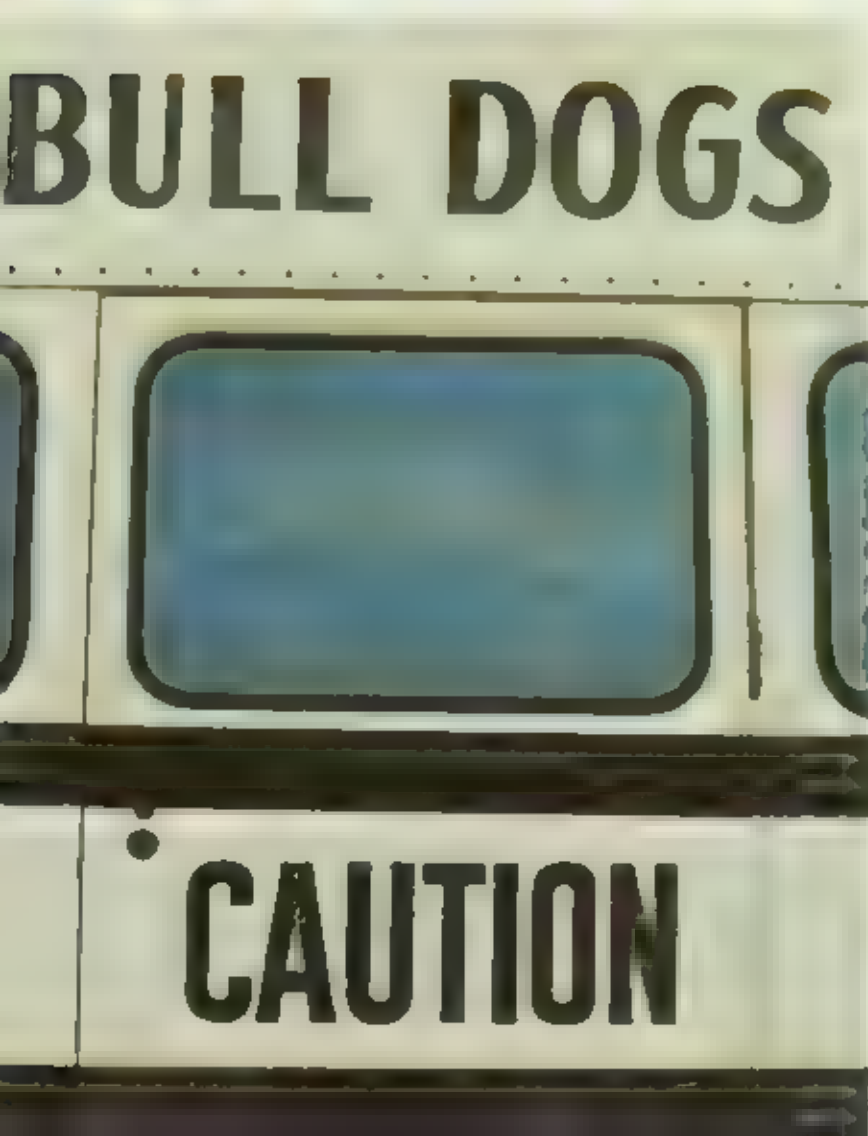

*Now they have come to the end of the fabulous journey — 1307 South Church Street, Walter Williams High School*

*During their junior year they invited the Senior Class to a night in the Land of Oz, complete with magic fountain and tree.*

*The band's music highlighted many happy hours and the clowns gave comic relief*

*Changes keep happening to these people who have experienced so many breaks with tradition. A brand new president, replacing the first president ever to resign, took office in August just before they returned to school*

*When they did return, they found alphabetized homerooms set up by a computer; computerized schedules; senior English classes divided into college prep and general groups with new literature books and a required social studies course, The U.S. in Today's World.*

*But the more things change,  
the more they seem to remain the  
same at Williams High School.*

*People still study — in class  
and out of class — and athletes  
still give their best for personal  
glory and the honor of the  
school.*

*The photographers record the*

*great moments for the Barker  
and for this book, the Doc-Wah  
Jack. Continuing a proud tradi-  
tion, this staff presents the story  
of a year at WHS. When 1975  
has itself become "Once Upon a  
Time," may these pages bring  
all of you many happy memo-  
ries*

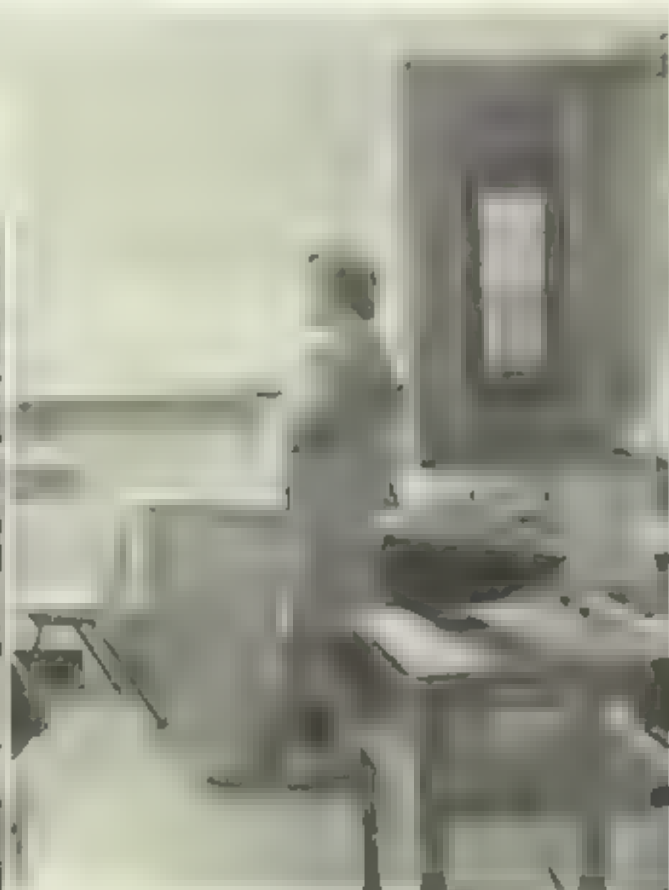

*To the One Who Teaches All . . . Mrs. Adele J. Lowry*

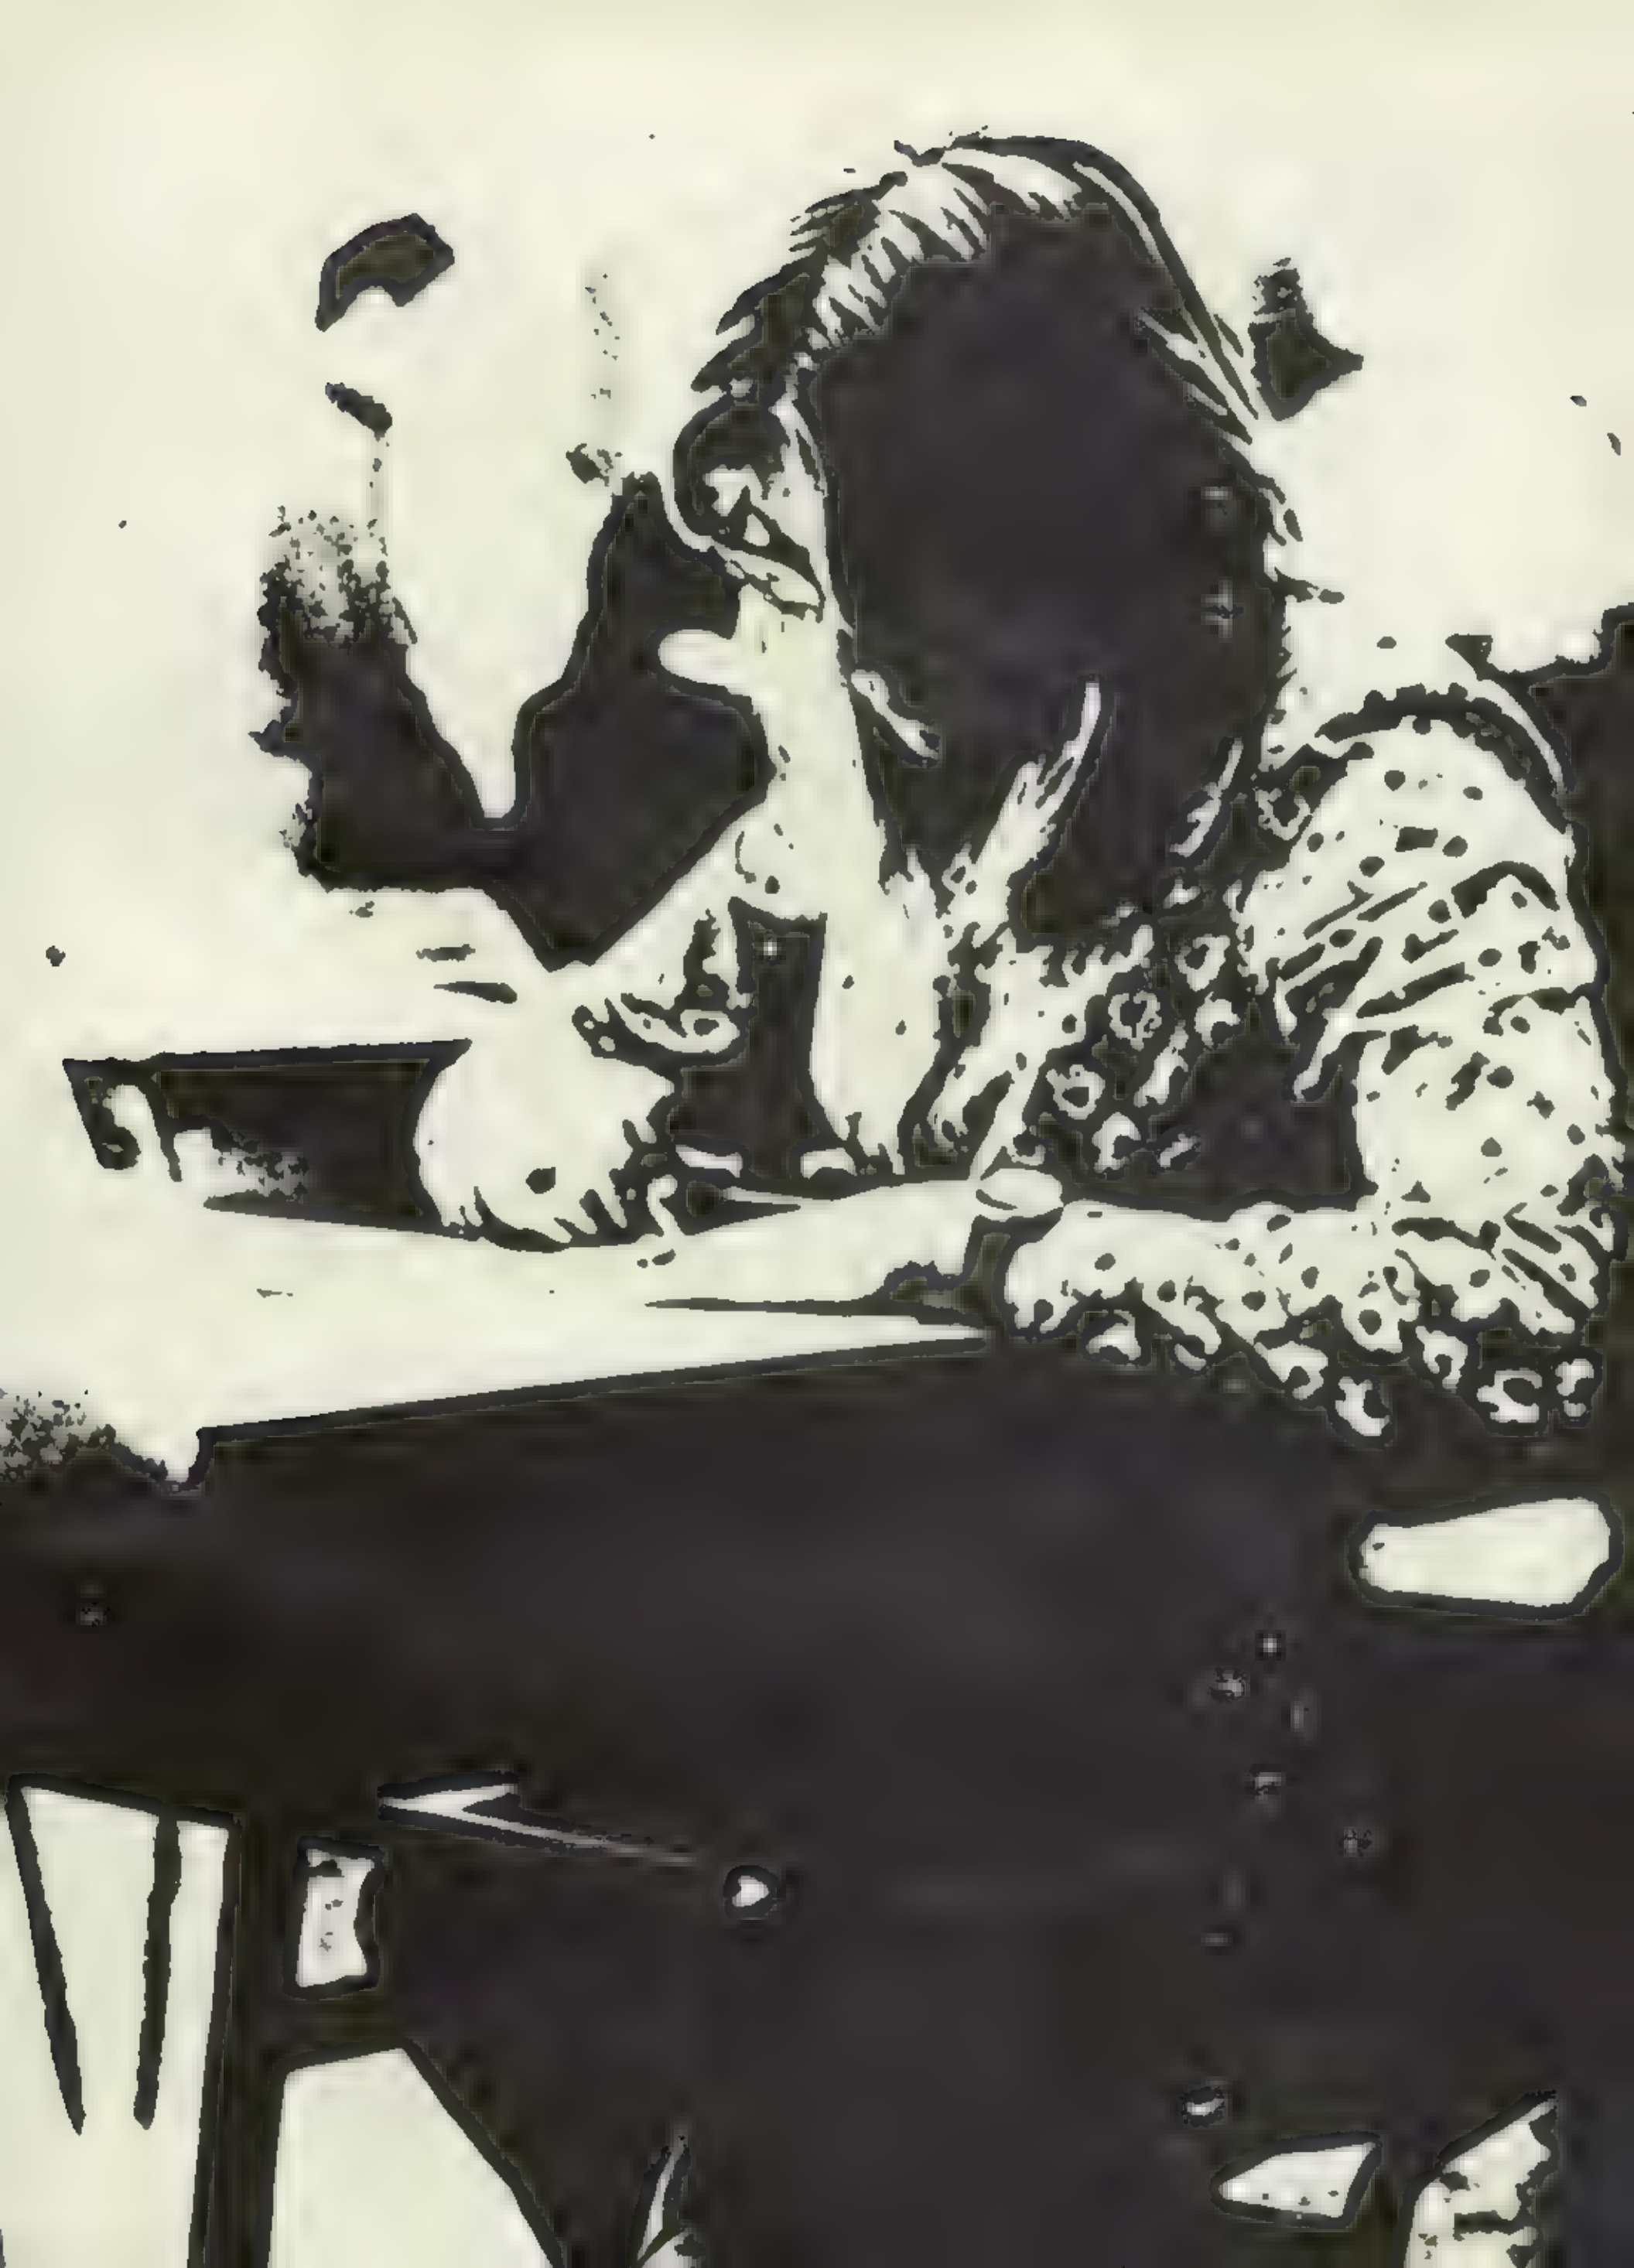

She is well known to all of us here at Williams High School. Why? Because each student has been in her class. We see her pattering around the halls, with twinkling eyes and rosy cheeks. She helps juniors and sophomores learn the fundamentals of comprehension and study skills. She helps the seniors each year by giving them guidance and assurance in their projects. She has a smile and a listening ear for each and every student. The clapping of hands and the stamping of feet can be heard in her class when an x mark passes through her projector lens. Because she helps each of us in so many special ways, we would like to honor Mrs. Adele J. Lowry by dedicating the 1975 Doe-Wah-Jack to her. May God bless you, Mrs. Lowry.

# The Class of 1975 Finally Reaches the Top

The Senior Class of 1975 is at the top of the year with a bang. On October 12th, the class sponsored a homecoming banquet in honor of the Varsity football players. The banquet was held at the Holiday Inn in the banquet room. Couples danced to the music of the Crossroads band.

Sandy Griffin, Senior class president expresses these thoughts:

Leaving behind us priceless experiences that will be a part of our lives. We must accept the thrill of leaving the known for the unknown, to push off into the mystery and excitement of tomorrow. Yours is the time to go out and do things and become someone in the thriving world.

There are places I'll remember

# *Smile*

A smile costs nothing but gives much.  
It enriches those who receive it without  
making poorer those who give it. It  
takes but a moment, but the memory of  
it sometimes lasts forever. No one is so  
rich or mighty that he can get along  
without it . . . A smile creates  
happiness in the home, fosters good will

a business and is the counter sign of  
 friendship. Yet, it cannot be bought,  
 begged, or stolen, for it is something of  
 no value to anyone until it is given  
 away . . . If someone is too tired to  
 give you a smile, give them one of  
 ours, for no one needs a smile so much  
 as he who has none to give

## *Juniors Work Hard to Show Their Spirit*

The Remembrance dance forms slowly  
Anna Rich, Melissa Cothran, Sherry Grant

Miss Edith Allen, Junior Class Advisor

This year, Williams was supported by the Junior class in many ways. Juniors voted to decorate the stadium for Homecoming instead of building a traditional float. Each Junior homeroom decorated a section of the stadium with banners. Junior homerooms also won first and second prizes during Homecoming.

To raise money for a Junior-Senior Prom, the Silver-Jubilee class sponsored a Remembrance Dance featuring "Crossroads," a local band, and records of the 50's and 60's. The dance was a huge success and hopefully will be continued.

In addition to these projects, the Junior class supports all clubs and organizations strongly, and make up a large portion of our athletic program.

The Sophomore Class has had a good year. Their progress has been great.

Things started moving right away. The Sophomore Class float and money-making project were taken up and both became successes.

The float won third place and the class raised almost four hundred dollars at the Spaghetti Supper.

"I am proud of the Sophomore Class this year, but I do expect more involvement next year. I feel we have come a long way, but we have a long way to go," says John Machacek, Sophomore Class Councilman.

## Mini-Courses Provide Break From Routine in March '73.

From a gang member in the New York City ghettos to an evangelist, this is the dramatic story of Nicky Cruz. Many WHS students cite Mr. Cruz's extraordinary lecture as the spring '74 Mini-Spectacular. Mr. Cruz was brought to WHS under the auspices of Mr. Hazel M. Cummings, Jr.

Cruz is the subject of David Walker's poignant book *The Cross and the Switch Blade*, and is featured in the author of several books, including *The Lonely Man* and *Satan on the Loose*. He now directs the Nicky Cruz Outreach Corporation, which operates rehabilitation centers for young people.

# *Guidance Department Plans Annual Affair*

During the Spectacular, Cruz taught three capacity classes on Religion and the Occult and gave two assembly speeches in which he was heard by the entire student body.

Johnny Moore and David Sykes, WHS students, taught classes on photography.

A local practicing dentist, Dr. J. B. Walker, can and did induce a hypnotic state to several student volunteers in his "How to Hypnotize" sessions. His two hour sessions had every seat filled.

Peggy Parker, self-taught macrame expert, instructed two classes how to make belts and necklaces from yarn and string.

Mr. Jody Bailey, Elon College student, taught karate.

## *Scandanavian and Fondue Cooking*

Mrs. Vera Bailey taught popular classes in Scandanavian and Mexican cooking (top photo). Debbie Bunton and Margie Beck, along with several of last year's graduates, learn the secrets of Scandanavian pastries.

Mrs. Doris Littlejohn's courses in Fondue cooking also drew enthusiastic participants (bottom photo). Bonnie Johnson, Phyllis Freeland, Michael Snipes and others try their hand with skewers and hot oil.

## *Astrology, Guitar and Dancing Prove Popular*

Mrs. Marian Hensley and a Pakastaini friend were instructors in Astrology. Their classes were filled to capacity.

Mr. Johnny Albea, band director and Mrs. Nancy Garner, history teacher, "danced" their way to fame as modern dance instructors

Randy Hundley, WHS graduate and Elon College student, taught guitar classes.

Chip Bell, WHS senior class of 1975, served as horseback riding instructor.

## *"All American" Rates Rave Notices Spring '74*

Staley Moore and Joy Mayo starred in "All American," the musical comedy production of the WHS choral department presented May 23, 24, and 25, 1974 in the school auditorium. Musical direction and staging was by Erving Covert.

Based on the book, *Professor Fodorski* by Robert Lewis Taylor, the musical featured lyrics by Lee Adams, music by Charles Strouse, and book by Mel Brooks. Accompanists were Danny Fields, David Weadon, and Erving Covert.

The production began with an overture from the balcony by girls in Choral classes I and II. The first scene (in front of the stage) featured the immigrants arriving at Kennedy Airport. There they broke into a song called

"The Old Immigration and Naturalization Rag." Then Professor Fodorski (played by Staley Moore) who is bound for Southern Baptist Institute of Technology, walks along a street in New York. Falling in love with the country, he breaks into "What a country."

After a train ride he finally gets to S.B.I.T., where he meets the Dean. Much to his surprise, it is a woman, Elizabeth Hawkes-Bullock (played by Joy Mayo). They discuss their children, the students. Miss Hawkes-Bullock takes the Professor on a tour of the school. They end up on the football field where they meet Coach Hulk Stockworth (played by Bruce Orcutt) and the President of S.B.I.T., President Piedmont, (played by Robin Robertson). The team is practicing and they seem to need it. The school is hit by a football craze, while the presi-

dent's daughter Susan (played by Nandell Gable) and her friends Trish and Agnes (Jayne Holmes and Laura Johnson) support Women's Lib and hate football players.

In the classroom the Professor can't seem to get across to any of the students except one, Edwin Bricker (Joe Badgett), who seems to speak the same language as the Professor. The Professor and Bricker find out they can help the football team by using physics while in the classroom. The students find it is fun to think if it has to do with football.

It seems that two love affairs have started. One is between the Professor and the Dean. After walking her to her door, they sing together "Once Upon A Time," a beautiful love song about the way things were. The other is between Susan and Bricker. Susan hasn't been to class and Bricker becomes concerned so he brings her some notes to her room. After he falls out of her window he sings "I've Just Seen Her" (with her hair in curlers and face cream on).

At the game Hulk is hurt and the Professor is asked to be Coach. He accepts the job and puts Bricker in as a kicker. This starts S.B.I.T. on the biggest winning streak they have ever known.

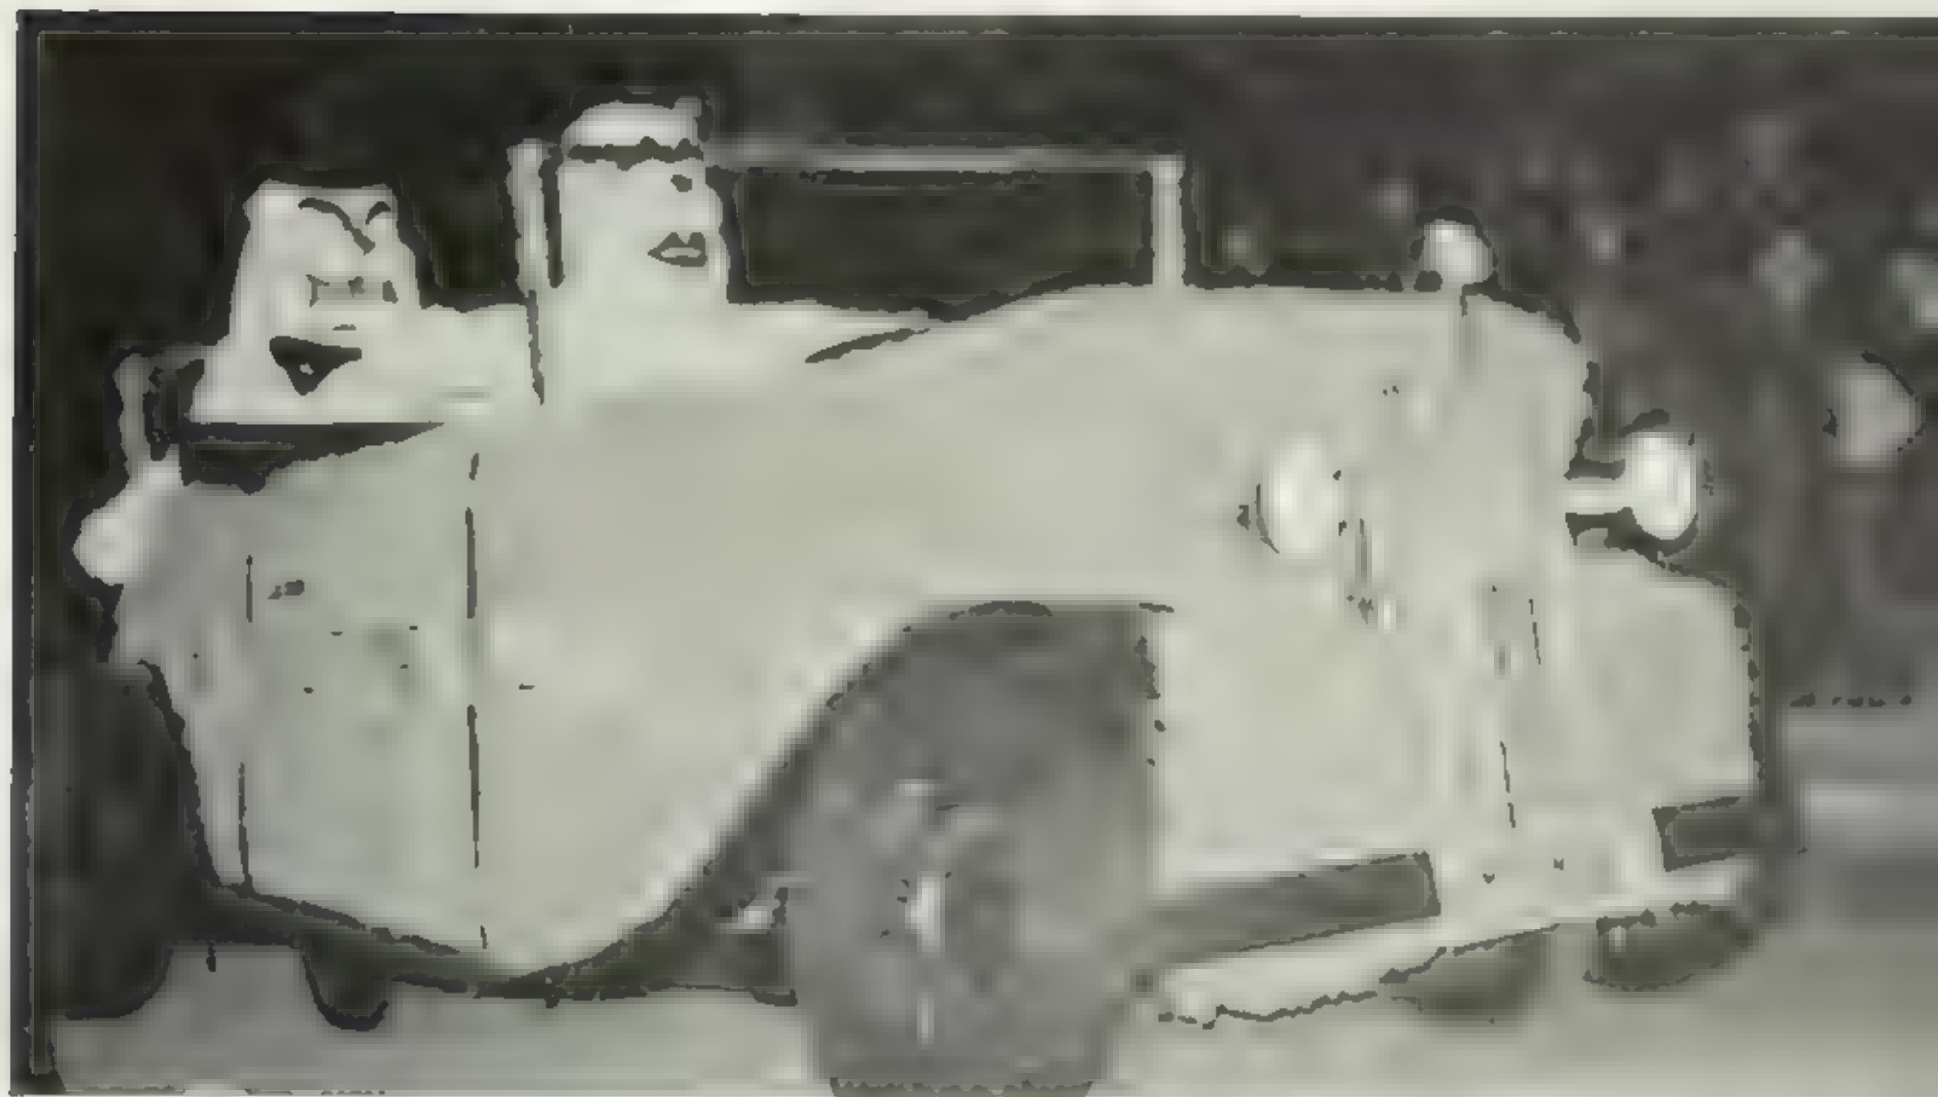

The Professor is very successful as the coach. A certain trustee named "Hilly" Henderson (Allison Peeler) decides to use him as publicity. Both Bricker and the Professor are getting very popular. At the Homecoming Dance Bricker is awarded the Athletes Foot Award.

The Dean and Susan decide the football team is getting too popular and no one is studying. The Dean decides she will distract the Professor so he won't be able to coach the Bowl game. She shows him the "Real Me" and he doesn't make it in time to coach.

The Professor decides to leave S.B.I.T. because he feels he has failed. However he decides, with the help of the Dean, to stay at S.B.I.T. The musical ends with a reprise of "What A Country."

## *'Bye Bye Bachelor:' Theme of 74-75 Homecoming*

This year's theme for homecoming was 'Bye Bye Bachelor.' On Thursday night, October 17, the choral department held their annual homecoming show. It began with a replay of Georgette's bridal shower, where all of her friends gave her gifts that she might need to keep George in line.

After the shower, the audience went to see what George was doing at his bachelor's party. They all seemed to be having a good time giving George advice about being married. The married men, Bruce Orcutt, Mike Padgett, and Arnold Pinnix, did a ball-and-chain number to give George a hint about married life. At the party there was the cake with Miss Blood Pressure, Jeanette Williamson, inside to add a little fun to the party.

The show came up-to-date and the wedding ceremony began. George had all of his old girlfriends come back to be flowergirls. Georgette had her guardians come out of the hills to see her get married. The homecoming court served as bridesmaids, and the queen, LeAnne May, was the maid-of-honor for Georgette. Everything went smoothly until one of George's old girlfriends, Miss Jilted, Carol Ridge, came to try and stop George. Her attempt failed, but she did end up with the Las Vegas gambler, Jor Martin.

The wedding continued with LeAnne being announced Queen, while the Judge, Joel Moffit, performed the wedding. The show ended with the cast singing 'Bye Bye Bachelor.'

The next night before the game, there was the parade with the floats going around the field. Each club could enter a float and a sponsor. The Civitan-Civinettes won the float competition, with Key-Keettes coming in second, and the sophomore class float won third place. At half-time, the football sponsors were announced and formed a gold ring. The attendants formed the diamond, and LeAnne May was crowned Homecoming Queen. She left with George and Georgette as a chaperone on their honeymoon.

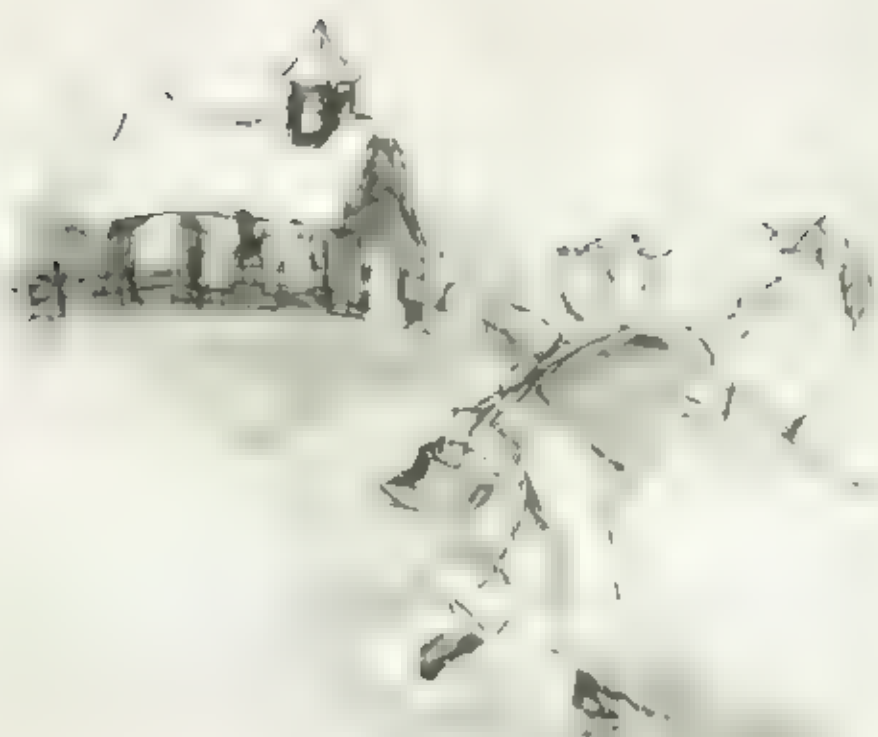

One of the highlights of the 1974-75 Homecoming Show, was the farewell dance, performed by the girls' chorus. George's former girlfriends were dressed in red and black, the Raiders' school colors.

George and Georgette barked their wedding vows in an elaborate ceremony attended by the Homecoming Court.

## Students Experiment With New Constitution

The 1974-1975 student council has made a diligent effort to better serve the students. A new system of student government was tested. It is called the Senate House Plan, based on the Senate and House of Representatives in our federal government. In July of 1974, Randall Williams, Lisa Dula, and Kelly Thomas attended the North Carolina Association of Student Councils workshop at Mars Hill College in order to get some ideas for projects they could try at Williams.

This fall, previous to the beginning of school, the student council conducted a sophomore orientation. In this, the sophomores were introduced to many leaders in the school and were guided on a tour of the building. In October, the student council along with the PTSA, co-sponsored a carnival. Students, teachers, and parents

responded to this very well. The student council assembly for this year featured the group, Harvest. In November, our student council had exchange days with Graham High School. The Christmas Cheer project had a very good turnout with the whole student body's support.

The student council plans to sponsor an exchange day with Southern High School, a mini-spectacular, and many other events this spring.

Dear Coaches,

At this time we the students of Williams High School would like to pay tribute to you, the few individuals who take your own time to coach our athletes.

You put forth the most interest and effort for so little in return. It is so rare to have such individuals as we have at Williams. Again thank you for your interest and concern.

The Bulldogs 1974-1975 football season was not one of smashing victories or post-season competition, but one of valuable experience and memories.

A very important attribute to any athletic team is leadership. This year the seniors supplied much needed authority and experience to the team.

At Western High School, the Bulldogs opened the 1974 season. One of the largest "away" crowds attended the game. This particular night the Bulldogs triumphed, 13-0, with an impressive show of early season ability. Doug Cooke shone defensively with eleven unassisted tackles. Despite White's four interceptions, the offense managed two

touchdowns, due to Jackie Robert's scores on a four yard run and a fifty-five yard punt return. After this zig zag way the Bulldogs were swept away by Southern Alamance, 20-7. Southern's running attack was just too much for the Bulldogs. If any single effort would be recognized, Melvin McCain showed an impressive ground game.

The third contest was against number one ranked defending state champions, Sanford. They well deserved the title. Sanford up rooted the Bulldogs 33-0. David Martin showed true desire by having many single effort tackles, and a crucial fumble recovery.

Roxboro was Williams next encounter. Roxboro, thought to be somewhat an easy competitor, proved otherwise. The final score was 32-6.

Burke Reid and Keith Evans took over the offense to bring the Bulldogs back into the ballgame, giving a fine effort, despite the defeat.

Coming off the road, the Bulldogs faced Reidsville. They really needed this win to build back lost confidence. The effort by the Bulldogs was good, but the score read 22-6. Doug White showed possibilities of gaining his form of excellence. As usual Doug Cooke over came many Reidsville players.

Against Moorehead of Eden the Bulldogs, now thoroughly disgusted, disappointed and most of all in doubt of being a winning team, pulled one out of the fire. Williams marched down the field several times for a 21-6 victory. The win boosted the Bulldogs morale. Keith Evans rallied the team several times. Doug White, now switched to defensive halfback, showed up well.

# Football Team Not What Expected

Homecoming for the Bulldogs proved to be somewhat of a disaster. High Point Andrews aided by many of Williams interceptions and fumbles, handily took the victory. The crowd was one of the largest of the season. Williams' John Memorato retrieved a fumble in the first period to no avail as the offense fumbled. The Red Raiders, with an excellent punt return scored first, during the last minutes of the first period.

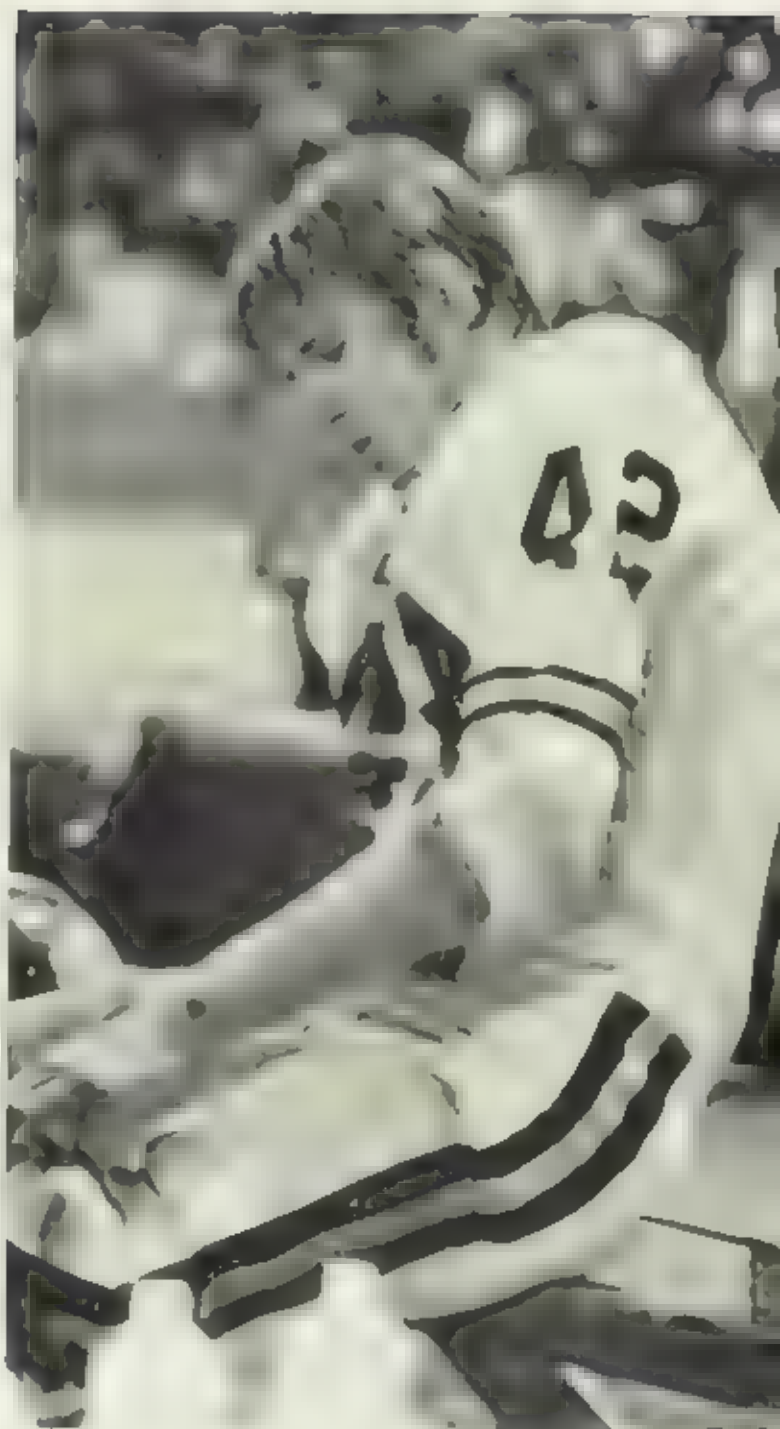

With poor blocking, Keith Evans was sacked and fumbled the ball enabling High

Point to set up their second score. From this point the tempo of the game was controlled by High Point. The score of the most disappointing game of the year was 26-0. Mike Simpson led with one crack a completion to add some competition for Andrews.

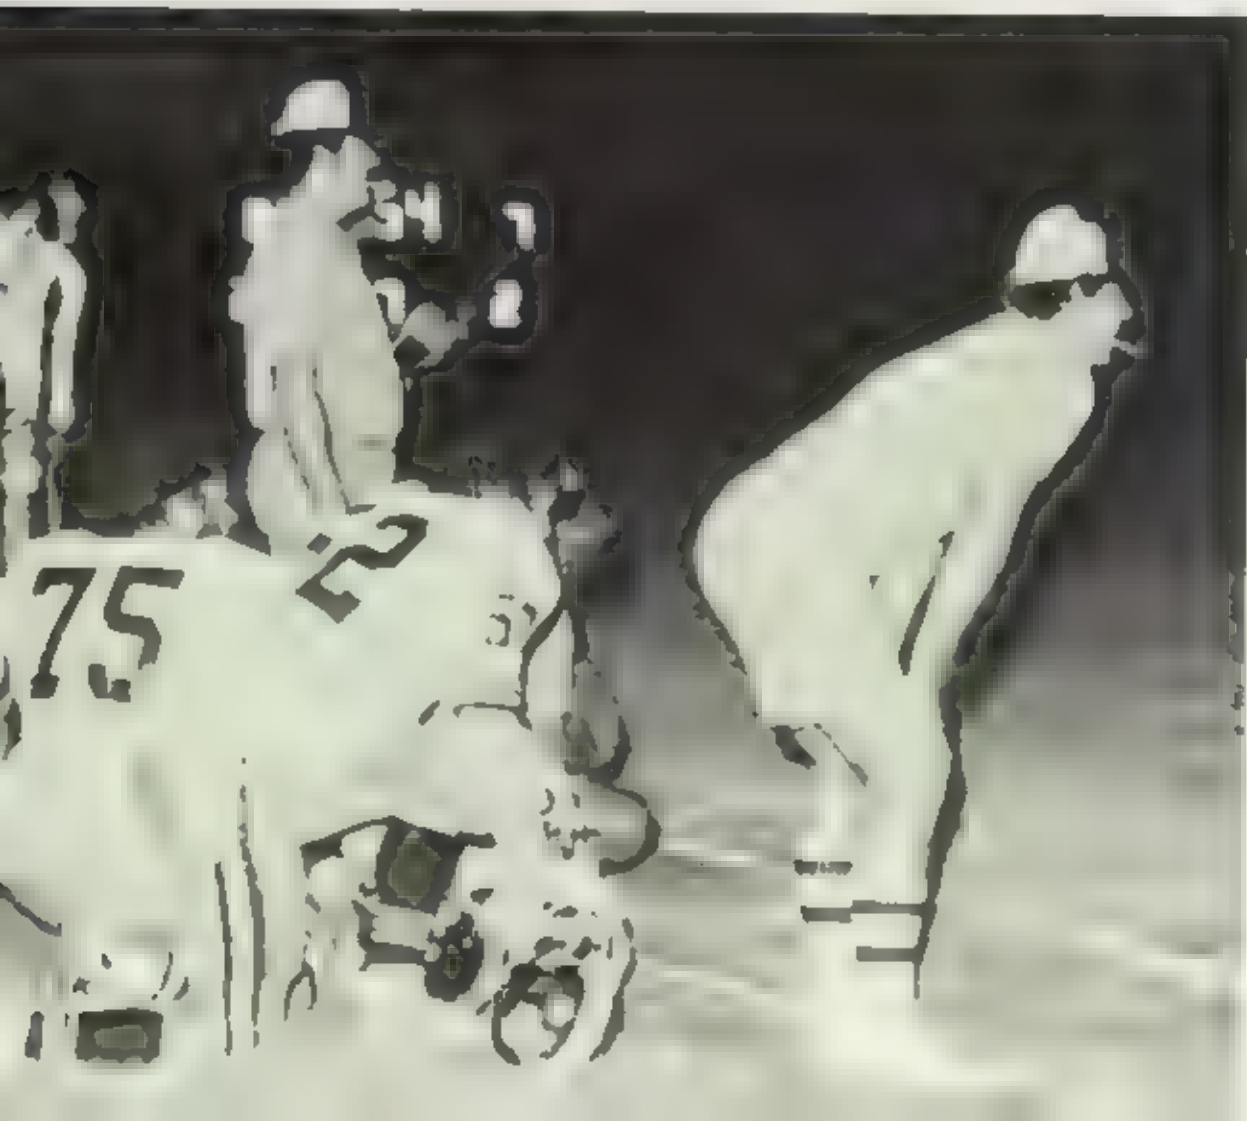

One of Williams' biggest rivals is Cummings, who had never defeated Williams in football. This year Cummings pulled an embarrassing upset. Although Cummings led the whole game with the score 14-7 Williams came to life. Williams scored with 36 seconds left to increase the score 14-13.

The coaches get a birds-eye view from the sidelines

Frustration looks to be the word of this year's football team Howard Joyce

## Seniors Give All They've Got!

Naturally with a game of this importance the Bulldogs went for two points to win. Cummings, expecting the tactic, sacked hopes of winning. The final score was 14 to 13.

The Bulldogs next opponent, the Parkland Mustangs, proved to be some of the best competition of the year. Williams showed a very good effort but again as many times before, they just couldn't put the points on the board. Parkland defeated the Bulldogs too. Mike Falbert showed many single effort tackles. Doug Cooke was at his true form by earning eight unassisted

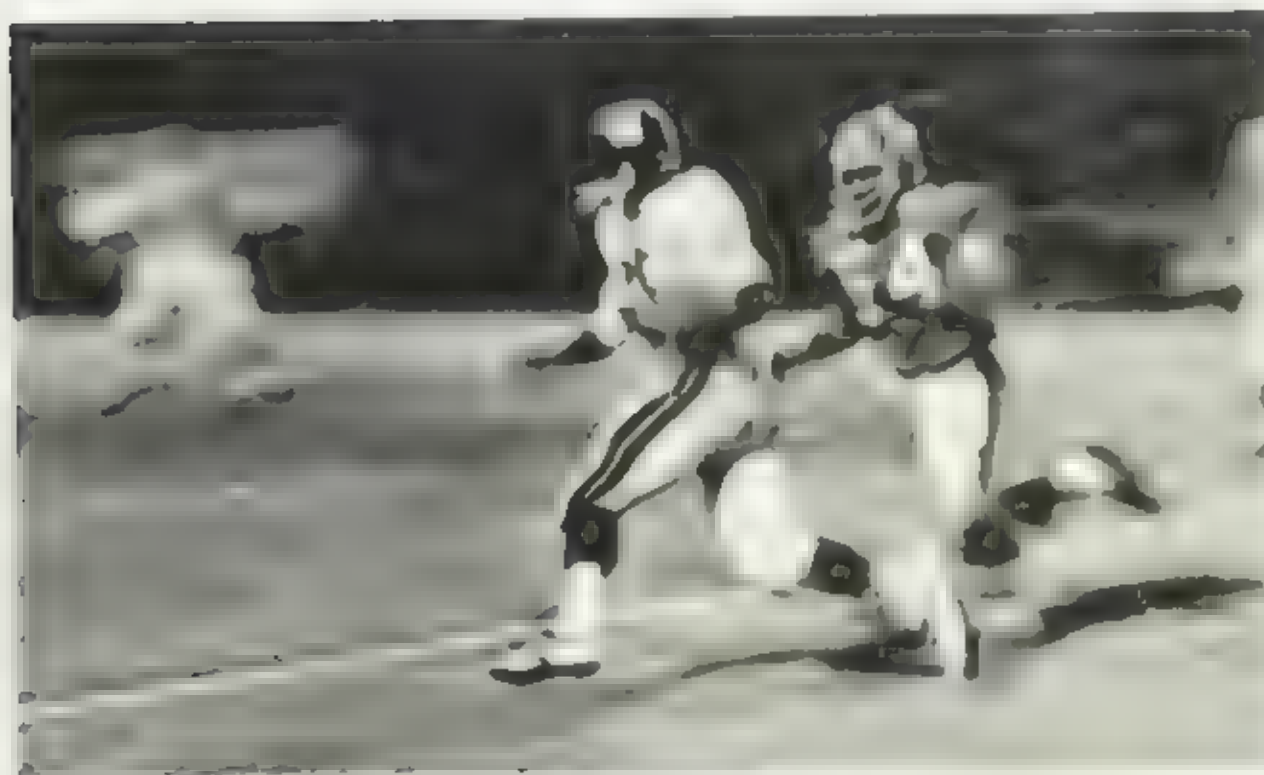

tackles. The offense still hadn't begun to work together.

The last chance for the Bulldogs to get it together was against West Forsythe. This particular game, the seniors showed their leadership and determination to win. Doug White led the offense to an impressive aerial attack. Mike Snipes caught two of White's passes for an impressive gain. Harold White took a hand off from Doug White to score a touchdown. This particular game Harold played fullback. Snipes caught a pass from Doug White to make the

big score.

The action gets rough for our boys in gold

"You vo-vo!" Coach Evans

"I'm gonna kill somebody!"

The 1974 football season started with a glorious victory. The Bulldogs in the pre-season ratings were picked to win the district 4-A championship. The whole season was one of question and disappointments.

One might expect a team to fall apart after numerous defeats. The seniors just cannot be left out. They aided so many times in giving the underclassmen a spiritual boost.

Despite the outcome of this year's record the football players are still the ones who chose to represent our school.

Many people do not realize that the players begin their season during the early weeks of August, and don their suits for the last time in late November.

It is true that the '74' season wasn't one to brag or boast about, but one season doesn't destroy or shame that which they took twenty-three years to build. The athletes and the student body should be proud to have such a memorable year to add to many more to come.

## *Bullpups Start Slow, but Got the Ball Moving Later*

1st — Mike Brown, Tommy Sherman, Chuck Black, Zack Touloupas, Mark Lindsey, Tim Martin, Tim Boessler, Willie Seaton, Craig Jarrell, Larry King, David Walker, Tim Sullivan. 2nd — Lynn Howerton, Arnold Perry, Jim Payne, Mark Legendre, Stanley B. Throck, Joe Murray, Ralph Huey, Steve Wall, Charles Bozeman, Jeff Shaw, David Cheek, Dane Miller, Mark Talbert.

The J.V. football team started out their first season at Williams very successfully.

The first half of their season was very disappointing. The best the Bullpups could manage was a 3-1 record.

Despite their slow start, the offense showed much needed talent

for the varsity next year. For offense some impressive players were Chuck Black, Zack Touloupas and Mark Lindsey. The Defense had many good players, but Tim Martin consistently came up with the big plays.

The Bullpups should give the 1975-1976 Varsity team a big boost.

# J.V. Basketball Team Struggles Through Another Season

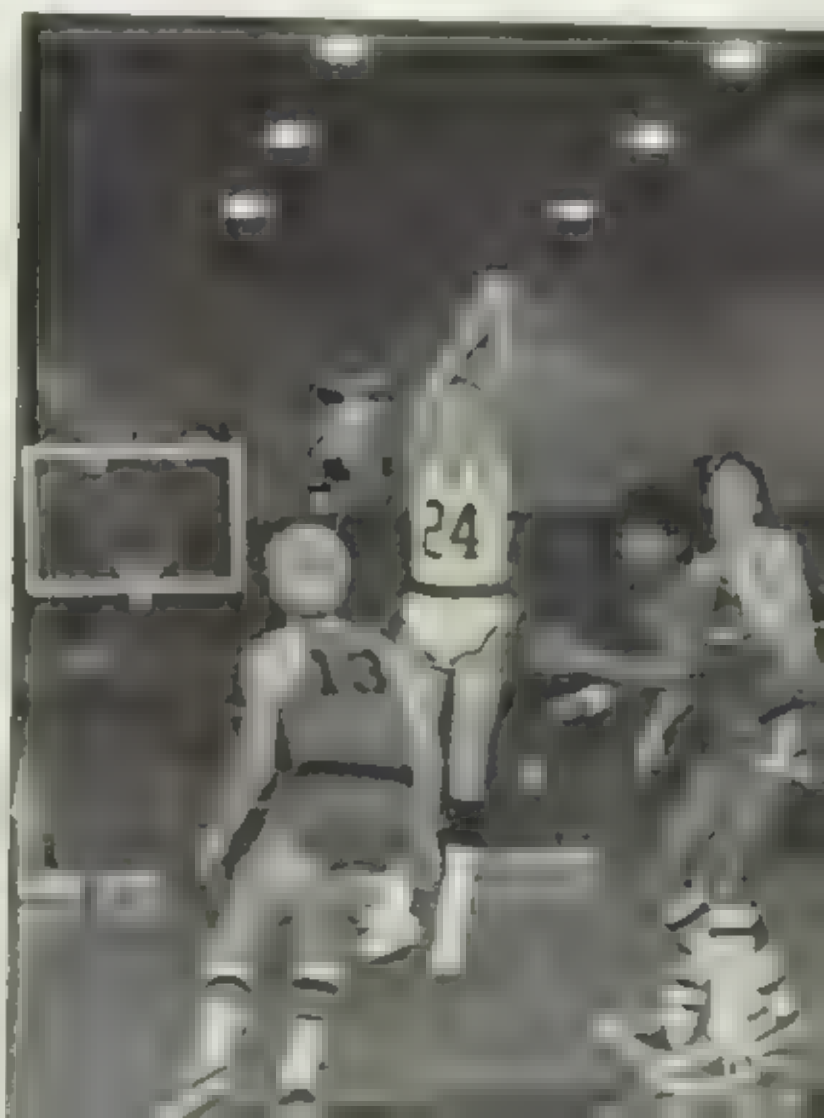

Back Row: Coach Ralph Huey, Manager Mervyn Harrison, Doug Pocher, Zack Touloupas, Mark Webster, Chris DeBour, and Coach Parker Barton. Front Row: Mark Edger, Danny Derita, Scott Howard, Jeff Bowman, Kenneth Barwell, James Pham, and Coach Van Turner.

The 71-75 Junior Varsity Basketball team had a very difficult year. Three of their most talented players, Chuck Black, Mark Lindsay, and David Hornaday, were called up to the Varsity.

The Bullpups lacked height and an effective defense. Ralph Huey gave most of the strength inside

With their lack of size they could not overpower any one team. The Bullpups had to depend on Danny Derita and Zack Touloupas for quickness and versatility in the front court. They will be tough contenders next year with some practice.

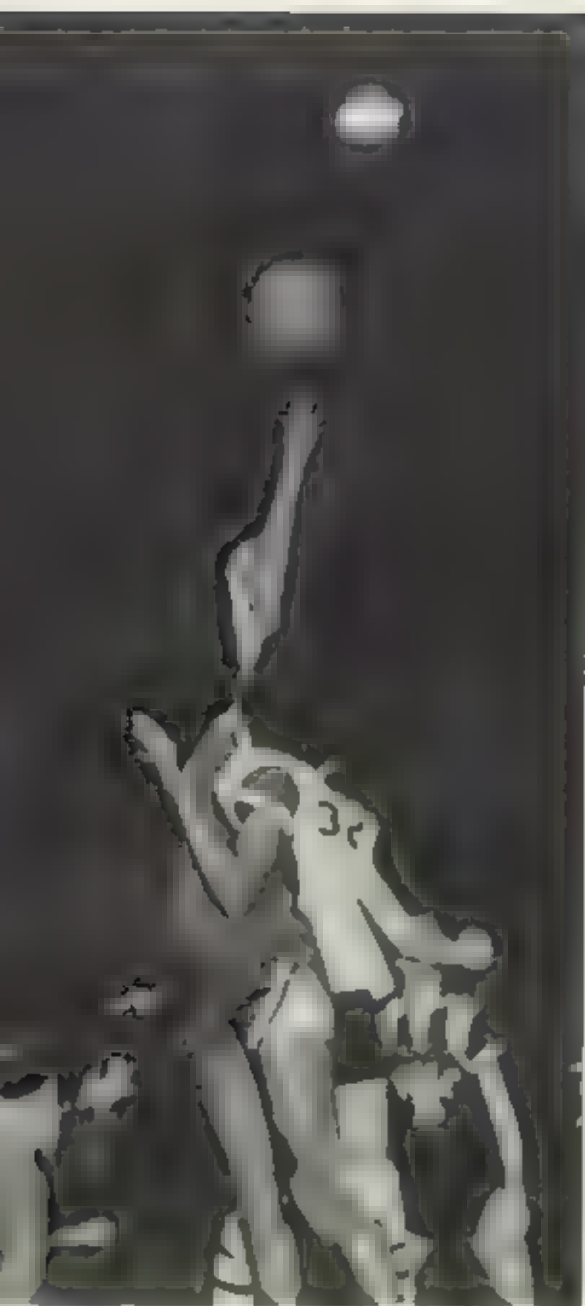

## Girls' Basketball Team Improves

Row — Back — Miss Candis Loy, Esq., Manager, Mary Jane McBeale, Allison Carroll, Debbie Fowler, Becky Molin, 2nd Row — Donna Jick, Manager, Pam Fox, Secretary, Robin Smith, Sandra Lawrie, Caroline Veno, Jeannie Smith, Pam Williams, Kelly Thomas, Scout, Kimpel, Miss Gannon, Coach, Debbie Yow.

As of publication date the 1975 Girls basketball team is on its way to a better season than last year. Again plagued by inexperience, this year's team is better because of the acquisition of a new head coach. She is Miss Debbie Yow who was a star player at Elon College. The captains of this year's team are Sandra Lawrie and Jeannie Smith. With two seniors, five juniors, and six sophomores this year's team is a young one lacking in height. Sandra Lawrie Senior, Caroline Veno — Junior and Candis Loy — Junior are the highest scorers and the backbone of the team. Their record is 2-10 now and last year's record was 0-17. They have posted much higher scores in their losses than the Girls' team of last year.

## Basketball Team Shows Good Sportsmanship

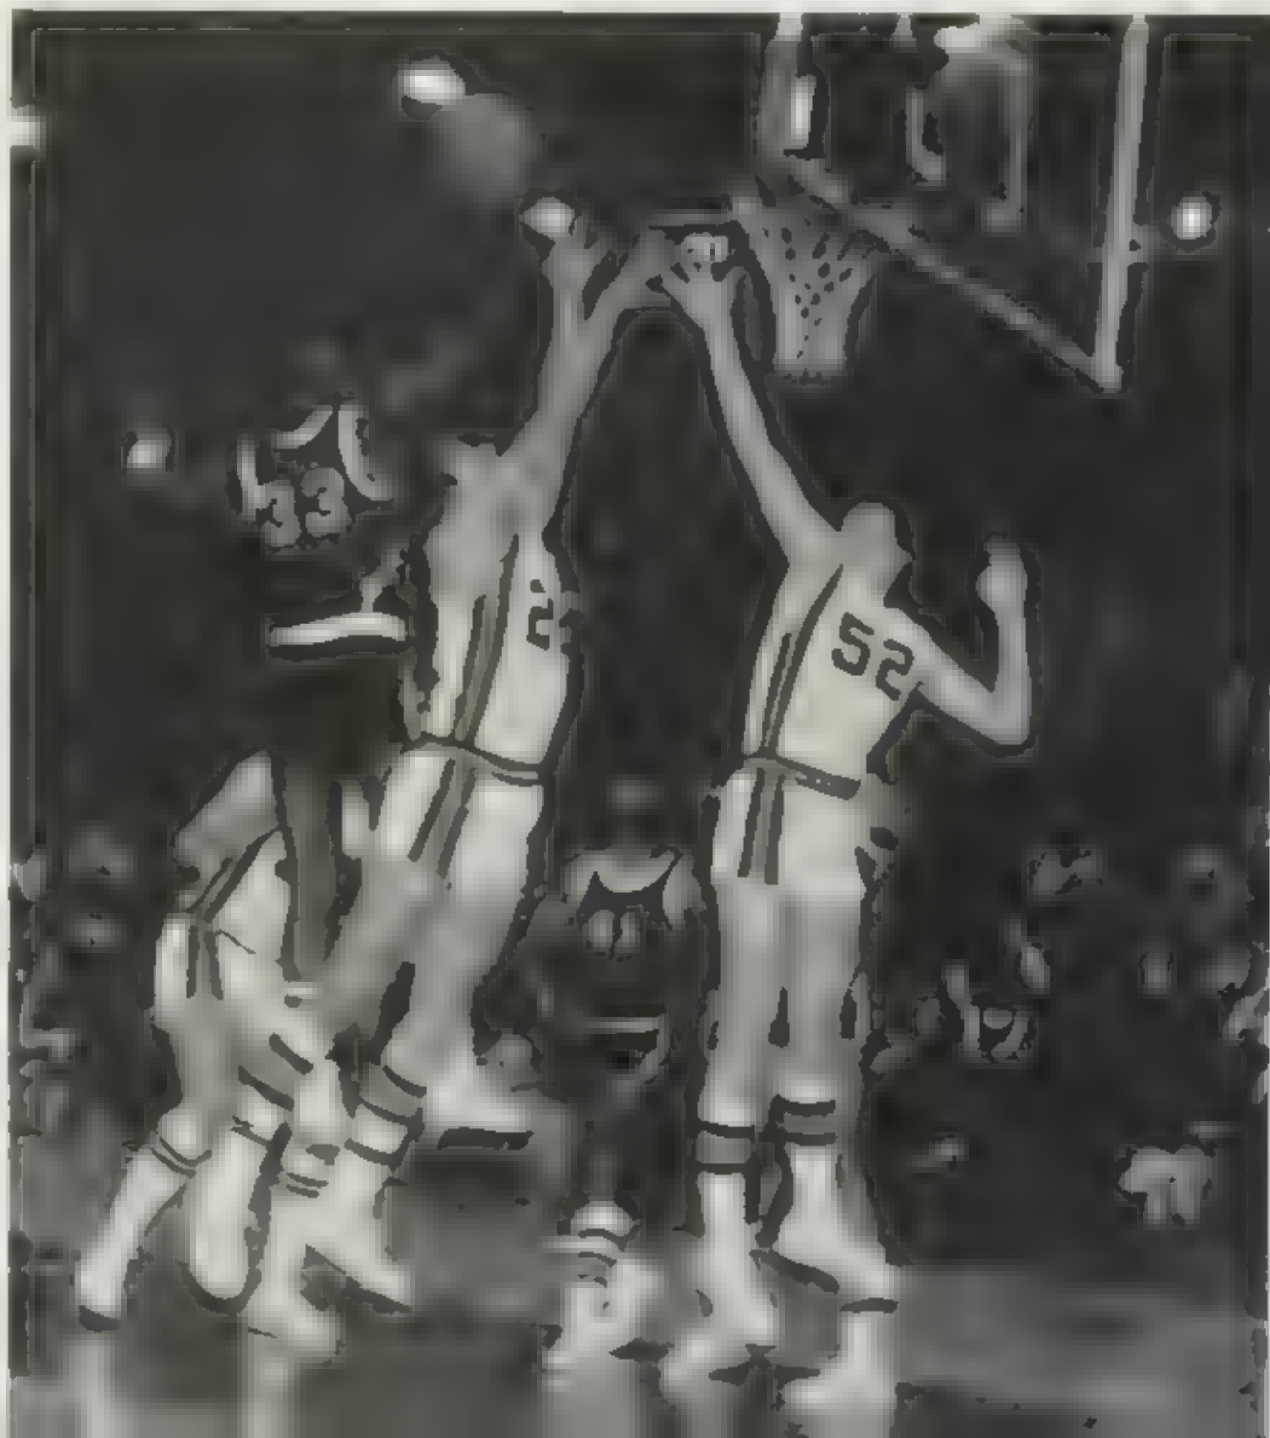

Front row — Michael Lusk, Mike McCollum, Ricky Gunn, Back row — Manager — David Snodgrass, Chuck Black, Curtis Hines, David Hornaday, Stan Queen, Tom Fortner, John Stewart, Frank Oakley, Robert Lamb, Mark Lindsey, Lowell Easter, Eric Pelham, Dick Bowen — Manager

It was once said "A book should not be judged by its cover." This also is true of our 1974-1975 Williams varsity basketball team.

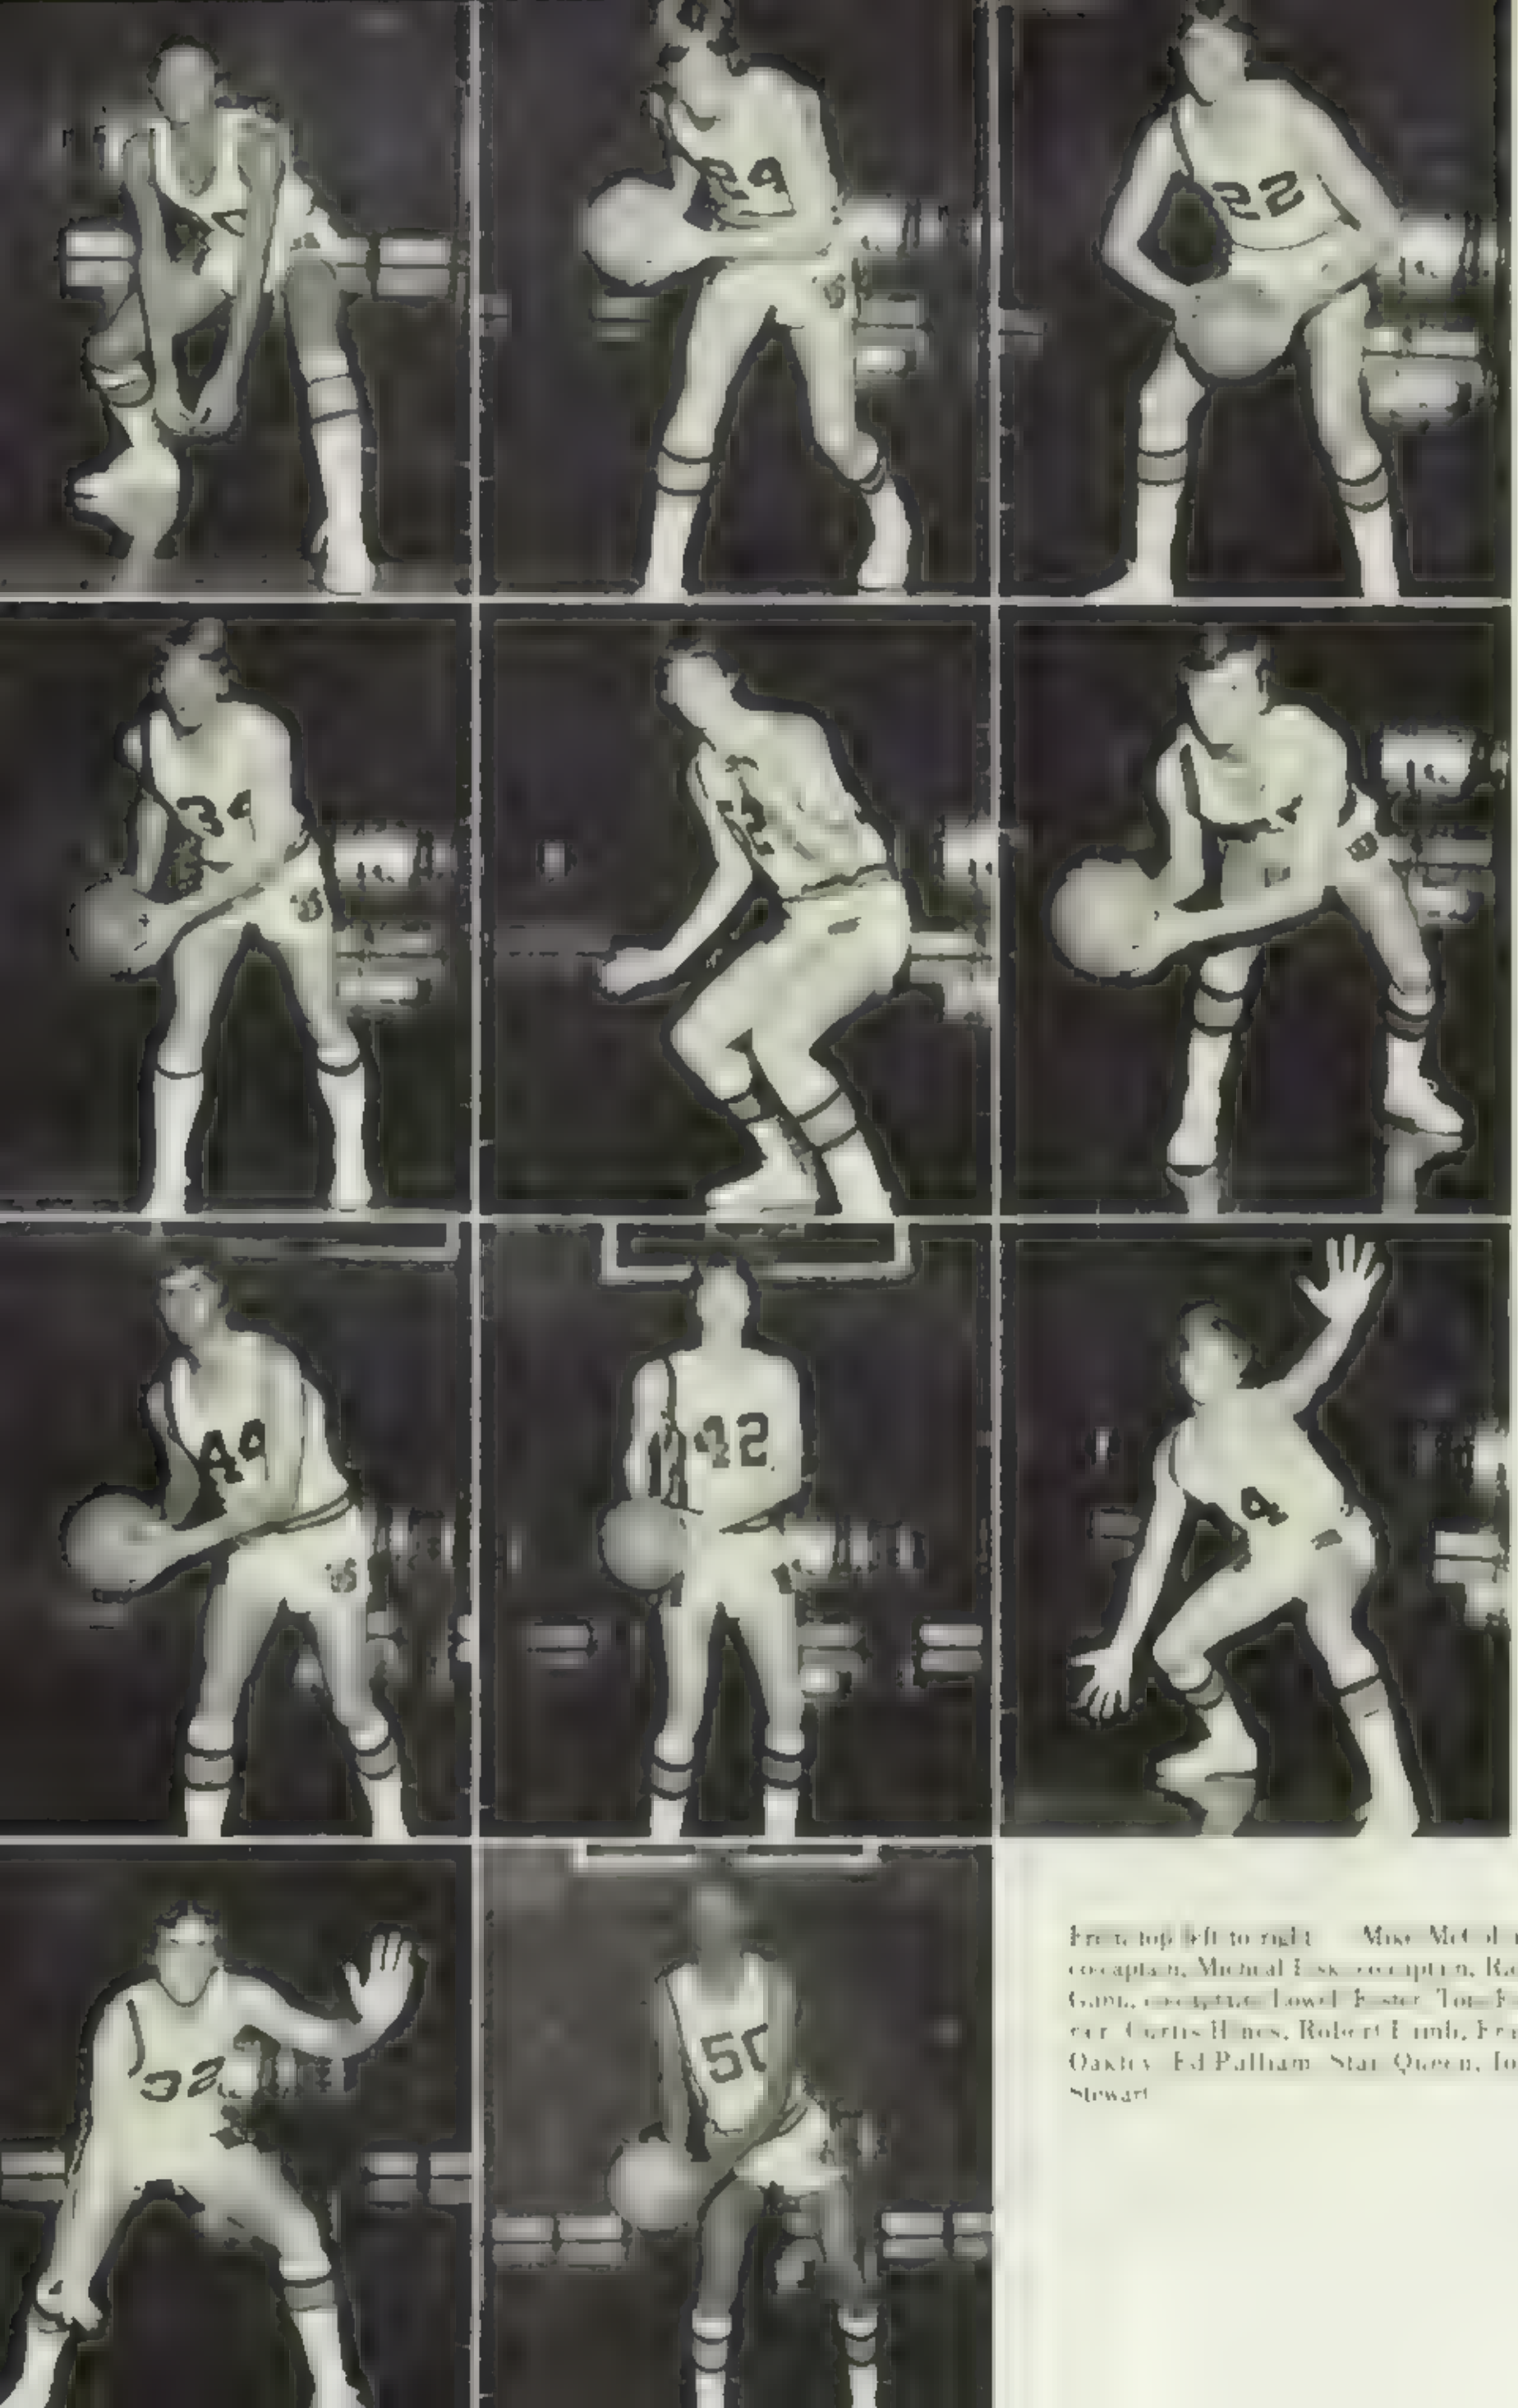

You must disregard their 2-19 win-loss record to see the real outstanding point of their season.

Coach Hodge stated that he was trying to rebuild for the future 1975-1976 season. That is true, for there will be ten lettermen returning next year. This year Coach Hodge used two sophomores, Chuck Black and Mark Lindsey, on the varsity team. This was done to let them gain much needed experience for future competition.

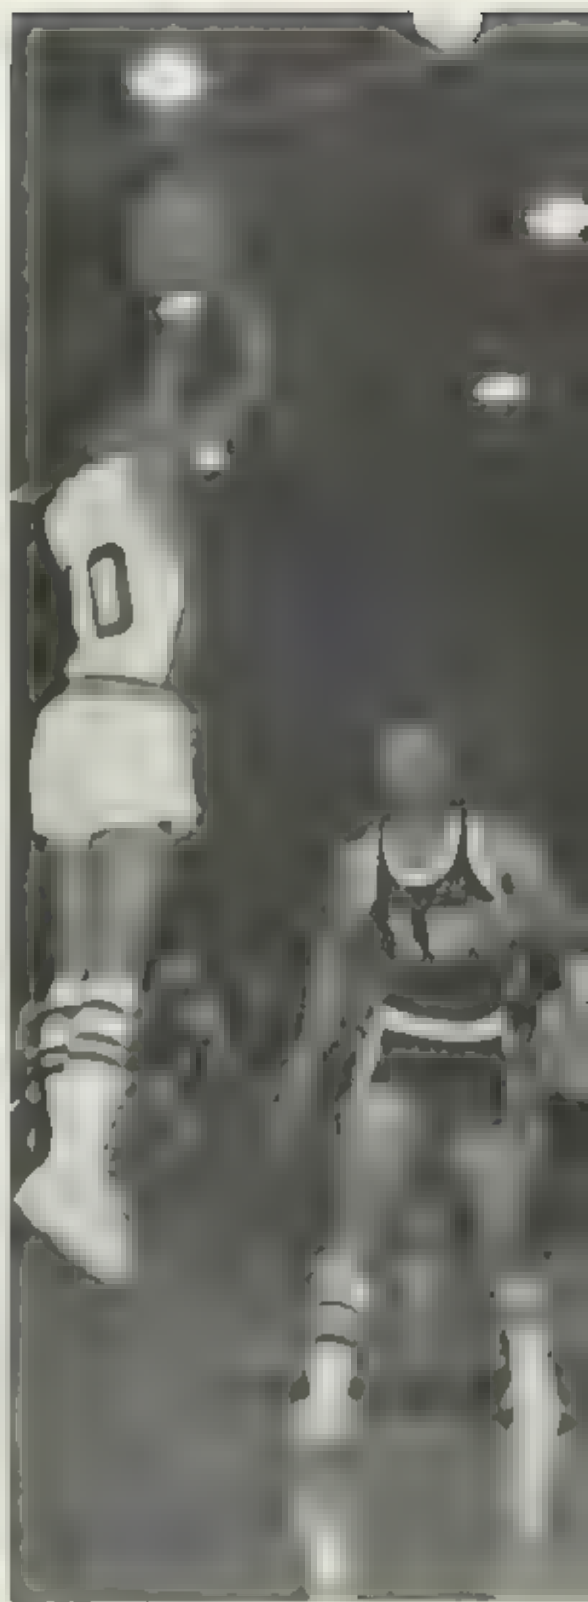

Every winning basketball team has a big man followed with a good shooting guard. Williams had one of the two qualities needed for a good team.

(Left) Ricky takes a layup. (Right) Micheal Lisk uses and abuses his opponent.

Mike McCollum aided many times with a hot shooting hand. Also Frank Oakley on two occasions helped the winning cause.

At the most prestigious game of the year against Cummings, our team gave a really good effort. The team showed good character training by taking the defeat, holding their heads high.

With the experience and leadership of eleven returning lettermen: Chuck Black, Tom Fortner, Ricky Gunn, Curtis Hines, David Hornaday, Robert Lamb, Mark Lindsay, Mike McCallum, Frank Oakley, Stan Queen, and John Stewart. Next year's team should be an impressive one. They shall lose the experience of Micheal Lisk, who was one of the co-captains this year.

Although our team was not one of the best, Williams students held their heads high and cheered our team on for a spirited season.

## *Coach Klaiber Leads Cross-Country Team to Championship*

*Cross-Country Team* 1st row — Albert Little, Ed Fursloth, David Hoard, Carl Sizer, Bob Sutton, Clark Thornton. 2nd row — Kimber Johnson, Stuart Leonard, Brent Hensley, Ryan DeLoach, Bobby Overstreet, Mark Payne. 3rd row — Coach Klaiber, David Osborn, Steve Ray, Burt Herring.

This years' team was something special. Yes, we did place 1st in the conference to win the championship and placed 5th in the state sectional meet, to rank among the top 15 best teams in the state. But the real success was the enthusiasm, determination, and spirit of the team. Support was light, if it existed at all, so the morale of the team reflected its inner qualities. There was little glory to be had and that allowed each member to contribute his best, to help each other. Enthusiasm was generated by the runners' dedication and by continuing success.

As the season began hopes were high and success came fast. Fortunately (?) we did lose a close meet early to our nearest rival that helped keep our feet on the ground and our heads out of the clouds.

As our 11-3-1 began to build we began to realize that we could not let up even an instant. As is true with most outstanding teams, it had not one superstar, but the whole team is a superstar. This was certainly true for us. No matter who would have an "off" day there were always 2 or more to take his place. For those few fans who supported us, we gave special effort by not losing the conference championship meet.

## *W.H.S. Cindermen Streak to Second in City-County*

*Track Team.* 1st row — Eddie Pitts, John White, David Hoard, Charles Saunders, Chuck Crenshaw, Steve Moser. 2nd row — Danny Hoard, Albert Tuttle, Eddie Cassidy, Richard Palsha, Neal Pruitt, Ricky Taylor, Marc Davison, Doug Moser. 3rd row — Barks Reed, Lowell Easter, Lacy Matkins, Sparky Jones, Larry McCain, Harold White, Jackie Roberts, Gozjack

The 1974-75 track team was one of the best performing teams of the year. At the City-County track meet composed of all the area high schools, Williams placed a strong second place. During the rest of the season they placed 1st in all but two triangle meets.

School track records were broken by this team. Calvin Foster and Ricky Walker together broke the 100 yard dash in a shattering time of 9.9 seconds. Calvin Foster also broke the 220 yard dash, triple jump, and the long jump.

Danny Hoard, while only being a junior, set a new school record of 50.2 in the 440 yard dash. He also went to the N.C. Sectionals.

The track team as a whole was composed of juniors and sophomores.

Only three seniors were out to lend a hand in the field of events. With six school records being broken by eight athletes, six will be returning to really help the team to a Conference contending team in 75.

The 1973-74 golf team had a respectable season, finishing third in the conference. Coach Charlie Spears was pleased with the team's overall performance because the top three golfers were only sophomores. It was his feeling that the team could have finished higher had they been more consistent from match to match. Proving to be the backbone of the team were Ricky Gunn, Doug Thompson, and Jimmy Johnson. Gunn had a good individual season, finishing fifth in the conference in scoring. With a year's experience behind them they should have a good chance at the conference championship this year.

## *Grapplers Move on Toward a Championship Season*

Front row — Manager — Joe Grant, Mike Lister — Front Herring, Robert Herring, Rodney Justice, Jim Herring, Martin Davis, Manager — David Grant. 2nd row — David Gourley, Mark Davidson, Mike Imboden, Bobby McIver, Jim Latham, Mike Bullard, Charles Bozeman, Harold White, Coach Steve Bernhardt. 3rd row — Rober Thorton, Earl Base, Paul DeFord, Mark Lindley, Barry Perry, Kimber Johnson, Bobby Spoon, Ken Sellers.

As of this date the Bulldog grapplers were on their way to a fine season. With an overall record of 4-1 the season promises to be the best since Stephen Bernhardt has been coaching. They have been more competitive since the addition of new wrestlers and have an excellent chance of finishing second in the conference. The team's best so far have been Martin Davis (8-1), Harold White (8-1-1), Steve Moser (6-3), Charles Bozeman (5-5), Jim Herring (4-4), and Mike Imboden (4-5). Six sophomores are starting which should provide them with some good experience in their junior and senior years. The only seniors on the team are Mike Imboden and Rodney Justice. It seems that the backbone of the team are the junior grapplers. With everybody back next year and all the weight classes filled, they should have an excellent chance of winning the conference championship.

## *W.H.S. Varsity Baseball Team Wins City-County Tournament*

Left to right — Coach Van Lamber, Lee White, Keith Lee, Mark Lundford, Butch Stewart, Freddie Routhick, Wendel Robertson, Steve Cartwright, Gary Carter, Yank Yarnsberger, David Smith, Ed E. Ebert, Thomas Mullis, & Kerry Smith. Back row — Stu Quinn, John Burton, Rocky Johnson, Managers — Mark Mann, Billy Waller.

Wins over Eastern and Cummings High School gave Williams' 1974 baseball team the victory in the annual City-County Tournament.

The 1974 Williams Varsity Baseball Team was composed mostly of seniors who had already played two years of varsity ball and had a great deal of experience. They enjoyed the game of baseball and worked hard to improve their skills. Their overall record last year was 7 wins and 5 losses. Their conference members were Morehead, Reidsville, Winston Salem Parkland, West Forsyth, High Point Andrew, and Cummings. In conference play, they were 5-5 and finished tied for third.

Below: Star Queen Pitcher displays pitching talent on the 1975 baseball season

They were unable to play two of the games because of rain.

Some of the outstanding senior players were Wayne Cole 1st base, Keith Joyce catcher, Eddie Foust center field, and David Smith short-stop. Cole and Smith made the 1st team All-Conference and David, who hit over .500 for the season, was awarded a full scholarship in baseball to N.C. State University. Overall, the varsity baseball team had a rewarding season and I'm sure the '74 team will remain in the memory banks of all 1974 Williams High athletic enthusiasts.
